COMMENTS FROM THE TOWN MANAGER'S OFFICE

Trying to find a plugged sewer line this week has again proven the need for more adequate plans of the existing sewer system. In talking with one of the property owners and on the basis of information from him it was found that the town appropriated money in 1923 to construct a sewer for three houses on Park St. There is no plan on file to show where the sewer was laid, as a result it took three men a full day to find the line and get it in working condition.

A lot of the sewer lines were laid prior to 1900. Some of the plans have been lost, others have not been kept up to date as new connections have been added.

It appears that it would be a practical thing to employ an engineer in the not too distant future to draft new plans and bring the sewer records up to date. The time and money invested would be well returned in time saved in locating sewer mains.

Another weakness of the sewer system is lack of adequate manholes. Even though information is available as to the location of sewers, when one becomes plugged it is necessary to dig from three to five feet and break a hole through the tile so that a sewer rod may be inserted. During the season when the ground is frozen the expense of opening sewers is considerably increased.

Attention has been called to the surface drain on Spring Street which does not properly take care of the surface water at this time of year. Present plans are to rebuild two catch basins and lay new connecting pipe.

Sincerely,
Harold L. Bean

Prescott Bush (Conn.)

Scout News

There were 16 boys at the meeting. We decided the fire escape wasn't safe. And we did map reading. Most of the boys had to leave early.

Flaming Arrow Patrol - Flaming Arrow Patrol met at Lucy Jacob's house, Wednesday, April 1. We worked on our marksmanship merit badge, cleaning and safety. - Scribbles - Paul Vachon.

Den No. 2 met at Mary Paine's. Serle Trinward brought refreshments. Roger Wheeler is Keeper of the Buckskin. Allen Walker is Denner. Allen Walker is sick.

Our Scouts, Den 4, April 7: We met with our Den Mother, Mrs. Hastings, at 3:15 P. M. After a short we gave the Pledge of Allegiance to the Flag and then Mrs. Hastings took us over to Mr. Thompson's to inspect the cows and the barn. The man that takes care of the cattle was very courteous to us, and answered all our questions and you can well imagine there were plenty of them. The cows were in stalls on each side of the barn, so we could walk in the middle and see them all. We watched the cows being milked and then the man filled a dish with milk for the cats. One cow gave enough milk the man had to get another pail to put it in. The cow came with its back teeth. One cow laid down, I guess she was tired. The man said the way the cows were named, was by taking the first letter from the mother's name and making a name from that. For example, Mother's name, Blanch, take the B--and this could be it, Blackie. The bulls were big and kind of cross looking. You never want to put your hands on the bars around the bull's pen, he might charge and crush or gore your hand with his horns. Many thanks to Mr. Thompson for letting us visit. It was very interesting. Mrs. Hastings took us home. - Keeper of the Buckskin, Paul Sawyer.

Den 6, Cub Scouts, met Tuesday at the home of Den Mother, Mrs. Harold Rolfe. The meeting opened with the salute to the flag. We worked on the planters we are making. Everyone enjoyed a treasure hunt with the clues in our Scout code. Refreshments were furnished by Philippe Rolfe. Refreshments will be furnished next week by Jimmy Young. Our new denner is Bobby Herling. Rodney Harwood, Keeper of the Buckskin.

The second grade Brownies met at the Primary school Tuesday with all members present. We listened to a record of bird songs loaned to us through the kindness of Mrs. Ruth Ance. Cookies were served by Marie Scapre and Cindy Brooks.

Both divisions of Brownies Troop 8 met Tuesday with their leaders. After the business meeting we worked on our bird books. I acted now officers, played games and enjoyed refreshments. Mothers for next week will be Betty Fuller, Judy Clark, Gretchen Dora and Rita Morris.

ONZ WEEK TO GO

Only one more week remains in which to file your 1958 Federal income tax return.

The warning came today from Whitney L. Wheeler, Director of Internal Revenue for the Augusta District.

If you don't file before the April 15 deadline, you may be subject to costly penalties and interest," Mr. Wheeler said.

So, don't delay any longer, he advised. Do it now and do it right, he urged.

FARM AND HOME WEEK

PROMOUCED A SUCCESS

This year's Farm and Home Week at the University of Maine last week was pronounced a success by most of those concerned. Some 3,200 men and women signed registration cards for the four-day event. As usual, many more attended who did not sign cards. Women's meetings and the dairy exhibits drew especially large crowds. Again this year the farmers' home-makers and others attending enjoyed the chance to visit and compare notes and to live in the University dormitories and eat their meals together on the campus.
